

Rock-Paper-Scissors

ML 2023/2024

Maksymilian Wiśniewski Michał Mękowski
Patryk Maciąg Stanisław Reda

Main Goal

- We decided to focus on the classification of images.
- Our main goal is to classify the gesture in the photo as one of the three movements from the "Rock-Paper-Scissors" game with best possible accuracy.

Data

On Kaggle we have many datasets with photos to use, such as:

- Rock-Paper-Scissors Images
- Rock Paper Scissors 0528
- Rock Paper Scissors Dataset
- rock paper scissors images
- rock-paper-scissors

Methods

- KNN
- Clustering
- K-means
- Naïve Bayes
- Logistic Regression
- Decision trees
- Random Forest
- Support Vector Machine
- Gradient Boosting
